

CHILD, YOUTH AND FAMILY STUDIES

**Flexible Assessment  
Handbook**

COLLEGE OF  
THE ROCKIES

## **OUR MISSION IS:**

to transform lives and enrich communities through the power of education.

## **OUR VISION IS:**

to create and deliver the most personal student experience in Canada.

## **VALUES:**

it is not what we say, but what we do that matters.

### **STUDENT SUCCESS DRIVES OUR SUCCESS**

From the front door to the classroom we are passionate in our commitment to take a personal interest in discovering what motivates and excites each student.

### **APPRECIATE PEOPLE, LAND AND CULTURE**

Whether student, co-worker or community member, we look for and nurture each other's potential. We approach each other with kindness and a caring for our future and the future of our communities. We celebrate each other's histories and accomplishments, knowing that when others do better, we all do better.

### **LISTEN AND ACCELERATE UNDERSTANDING**

We listen first so that we can foster each other's success. Improving our listening improves our learning, our relationships and our productivity, while minimizing conflict and misunderstanding.

### **BE CURIOUS AND CREATIVE**

We learn here! And when we approach learning and life with an open mind, ready for change, and able to view things in new ways, we can better support those around us to grow and learn as well. We will judge less and ask more frequently "What did we learn?" and "How else could we approach this?"

## OVERVIEW

---

The Child, Youth and Family Studies (CYFS) certificate and diploma programs are for individuals interested in early childhood education, child and youth care, family support, human service work, education assistance and other related careers.

The four specialties within the CYFS program are: [Early Childhood Education](#), [Education Assistant](#), [Human Service Worker](#) and CYFS General Studies.

College of the Rockies recognizes that adults may have acquired college-level learning through life experience. Students can have that learning assessed through Flexible Assessment. Prior to the beginning of each term, students who have met a minimum of 80% of the learning outcomes of a course can register through the College's Registration and Student Services department for Flexible Assessment credit.

Up to 75% of each specialty within the Child, Youth and Studies program can be credited through Flexible Assessment.

## WHAT IS FLEXIBLE ASSESSMENT?

---

Flexible Assessment is an option for College of the Rockies (COTR) students who believe they have acquired course-equivalent college-level learning through life experience such as self-directed study, paid employment, volunteer work, travel and non-college courses.

To receive credit for a course, CYFS students initiate a request for Flexible Assessment. Then they create a portfolio that includes a range of evidence of previous learning to demonstrate they have met the learning outcomes listed in the course outline. Outlines for all COTR courses are available at: [cotr.bc.ca/CourseOutlines](http://cotr.bc.ca/CourseOutlines).

If you are considering Flexible Assessment for one or more Child, Youth and Family Studies courses, it is important to read the *Learning Outcomes* for those courses prior to contacting the College of the Rockies' Flexible Assessment Coordinator.

In order to be eligible for COTR credit, prior learning must:

- be current;
- be equivalent to college course level coursework;
- meet the core values of the Child, Youth and Family Studies program; and
- include the appropriate balance of theory and practical applications.

*Note:*

*Flexible Assessment is frequently referred to as Prior Learning Assessment (PLA), or Prior Learning Assessment and Recognition (PLAR), or Recognition of Prior Learning (RPL).*

## IF I CAN TRANSFER COURSE CREDIT FROM OTHER INSTITUTIONS, DO I NEED TO DO FLEXIBLE ASSESSMENT?

---

Credit for equivalent courses from other institutions may be eligible for direct transfer credit at College of the Rockies. Courses that are directly transferable do not require Flexible Assessment.

Check the COTR Transfer Credit website for more information: [cotr.bc.ca/transfer](http://cotr.bc.ca/transfer).

## ARE FLEXIBLE ASSESSMENT COURSE CREDITS TRANSFERABLE TO OTHER INSTITUTIONS?

---

If you are transferring your coursework to another post-secondary institution, you need to check with that institution regarding their acceptance of Flexible Assessment course credit.

## WHEN CAN I APPLY?

---

Adequate time is required for consideration and evaluation of Flexible Assessment requests. Students should initiate their requests for courses within the Child, Youth and Family Studies program by these dates:

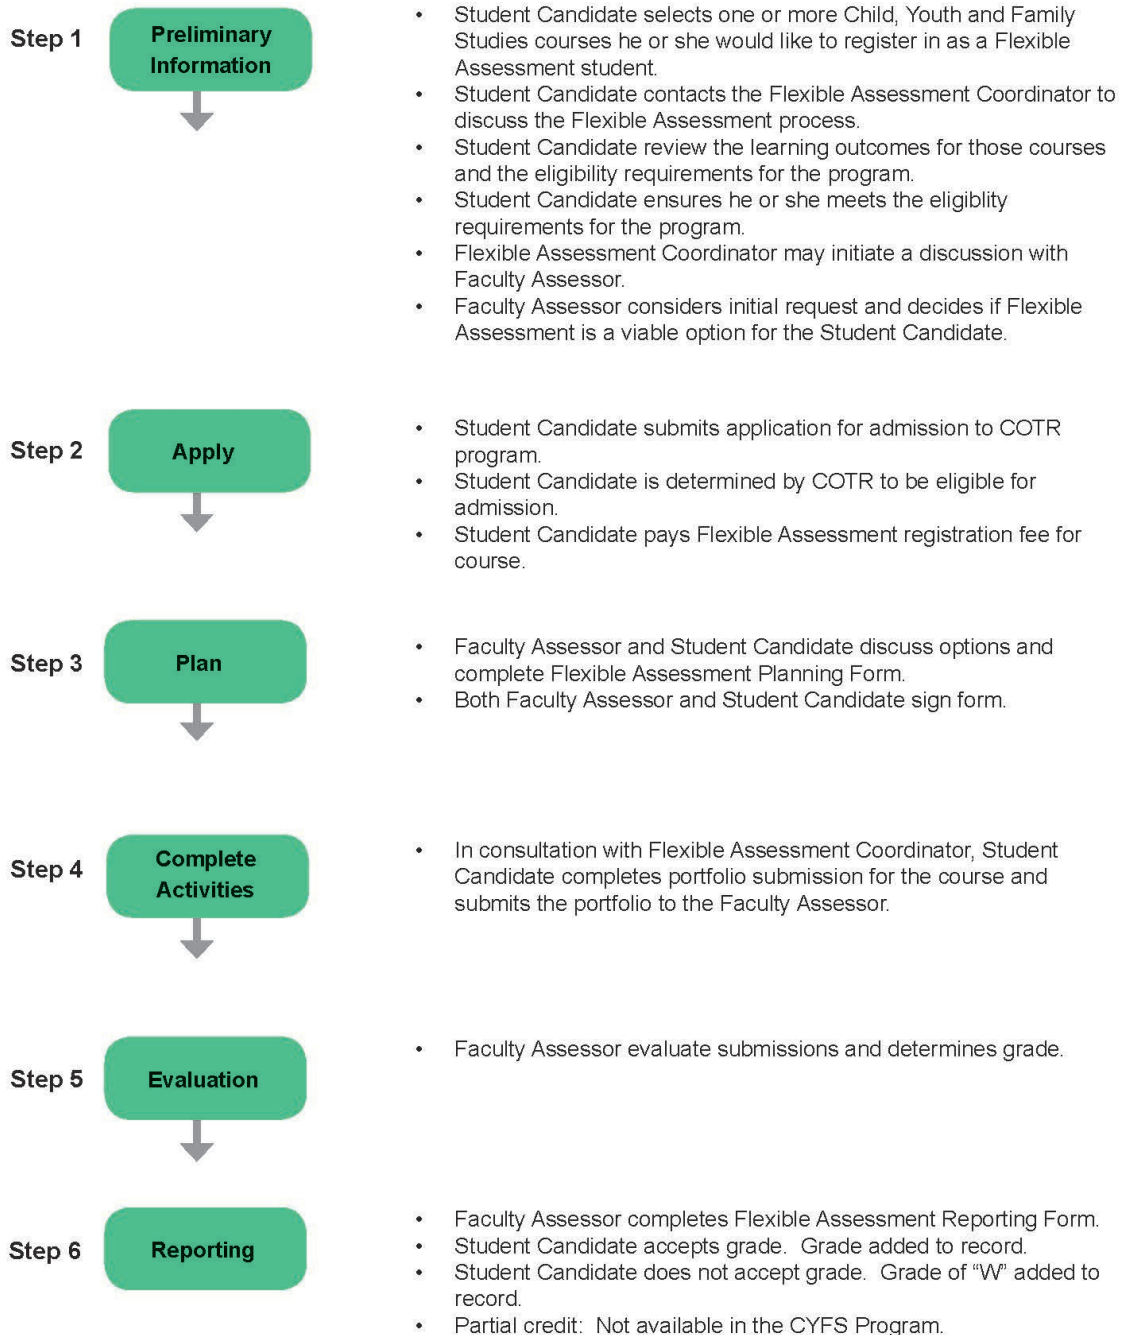

- prior to the end of **March** for courses in the following **Fall/September** semester;
- prior to the end of **September** for courses in the following **Winter/January** semester;
- prior to the end of **January** for courses in the following **Spring/April** Semester.

*\*Note:*

*Students must have already applied and been admitted to the CYFS program in order to begin the Flexible Assessment process.*

## THE FLEXIBLE ASSESSMENT

Flexible Assessment occurs in sequential steps. The chart below outlines each step of the Flexible Assessment Process.

## CONTACT INFORMATION

---

If you are considering Flexible Assessment, the first step is to contact COTR's Flexible Assessment Coordinator for a preliminary discussion. If your request seems reasonable, and if you appear to have met the prerequisites for the program and individual course(s), your Flexible Assessment request will be forwarded to the Faculty Assessor.

### Student Services

*Ask to talk to an Education Advisor*

## PORTFOLIO SUBMISSION ASSESSMENT

---

Instructors in the Child, Youth and Family Studies program determine the type of evidence required by the student to ensure the learning outcomes of a particular course are met.

If the student and the Faculty Assessor agree that Flexible Assessment is an option, then both the student and the faculty member sign a Flexible Assessment Planning Form, which identifies an agreed upon timeline for the submission.

Once you have agreed to the Flexible Assessment plan, you can begin to collect and prepare the required evidence. When you have enough evidence in the portfolio to demonstrate you have met the learning outcomes of the course, submit your portfolio to the Faculty Assessor who will evaluate it and assign it a letter grade.

There are a number of ways to provide evidence of your prior learning; some of which may include the following:

- interviews
- letters of reference
- certificates
- workshops
- employment evaluations
- on-site observations
- presentations (print, audio, video)
- demonstrated activities
- projects
- additional flexible assessment criteria

For each of the examples provided you will be explaining the connection to the learning outcome.

## HOW LONG IS THE FLEXIBLE ASSESSMENT PROCESS?

---

The time required to complete a portfolio varies from person to person depending upon the course and the availability of evidence of prior learning.

Flexible Assessment submissions must be submitted within the academic semester in which you are registered and by the date specified on the Flexible Assessment Planning Form. Students are encouraged to plan in advance, as time is needed for organizing the Flexible Assessment process, preparing the evidence and assessing the submissions.

## WHAT HAPPENS IF I AM UNABLE TO DEMONSTRATE MY PRIOR LEARNING?

---

You can withdraw from the course(s) and your fees can be credited towards tuition for that course, providing it is offered within the next calendar year.

## WHAT MORE DO I NEED TO KNOW?

---

In order to be eligible for Flexible Assessment, you must apply for and be accepted into one of the CYFS program specialties. All students must register in the course and pay the applicable fees.

## ADMISSION REQUIREMENTS FOR THE CHILD, YOUTH AND FAMILY STUDIES PROGRAM?

---

If you are an international student, please contact your International Department for more information: [cotr.bc.ca/cotr-international](http://cotr.bc.ca/cotr-international).

### Educational Requirements Certificate

1. Secondary school graduation or equivalent
2. Minimum 65% in either English 12, English Studies 12, English First Peoples 12, ENGL 090, or equivalent  
(refer to Course Equivalency information on the College Website)

### Educational Requirements Diploma

Child, Youth and Family Studies Program: Early Childhood Education Certificate or a Certificate in Early Childhood Education from an accredited college

### Non-Academic Requirements

- Completion and submission of CYFS Application package
- Completion of immunizations, documented by the immunization form in the admission package, or completion of the immunization waiver form (lack of immunizations may impact applicant access to Practicum placements and employment opportunities following graduation).
- Good command of oral and written English language
- Solicitor General Criminal Record Check. Note: Conviction of a criminal offence may influence an applicant's access to practicum placements and employment opportunities following graduation.

## PORTFOLIO ASSESSMENT

Each learning outcome will be given a value according to the descriptive characteristics below. The value of each learning outcome will be added together and then divided by the total possible value of all of the learning outcomes for the course. The number is converted to a percentage which then determines the letter grade for the portfolio.

### EXAMPLE

Learning Outcome 1:	Value 5
Learning Outcome 2:	Value 5
Learning Outcome 3:	Value 3
Learning Outcome 4:	Value 4
<b>Total:</b>	<b>18/20 = 90%</b>

The evidence for each learning outcome demonstrates understanding in each of the following areas:

- Breadth and depth of knowledge
- Understanding of theory/concepts
- Self-reflection
- Connections with relevant policies and ethical frameworks
- Critical thinking
- Communication and dissemination of knowledge which follows APA guidelines

**5 Extending** - Exceeded expectations in mastery of the concept(s)

**4 Proficient** - Showing strong progress and understanding of the concept(s)

**3 Developing** - Showing some progress and understanding of the concept(s)

**2 Beginning** - Limited understanding of the concept(s)

**1 Exploring** - Minimal connections related to the concept(s)

A COTR Faculty Assessor will evaluate your flexible assessment submission and assign it one of the following letter grades, with the exception of practical which are assessed as either COM (Complete to Defined Standard) or NCG (No Credit Granted).

Grade	A+	A	A-	B+	B	B-	C+	C	F
Mark	≥ 90	89-85	84-80	79-76	75-72	71-68	67-64	63-60	< 60

## COURSES AVAILABLE FOR FLEXIBLE ASSESSMENT?

---

The following guide outlines the type(s) of evidence required for specific courses.

Select the course code for one or more of the courses to see the Flexible Assessment requirements for that portion of the Child, Youth and Family Studies program.

All portfolio submissions must reflect the following Child Youth and Family Studies program core values.

**Please note:** Students must have a minimum of three years experience working as an education assistant in a full-time contract position in a K-12 school in British Columbia in order to be considered for the flexible assessment option in all EAP courses.

## ADDITIONAL REQUIREMENTS FOR PRACTICAL EXPERIENCE (Practicums)

---

### CERTIFICATES

#### **Early Childhood Education specialty**

students must complete at least 380 hours of practical experience to be eligible for a FA in ECED 126 within the last five years in one or more licensed early childhood settings and under a certified early childhood educator. Evidence could be a record of employment or a written letter from employers with the employers' current contact information.

#### **Human Service Worker specialty**

students must have at least 360 hours of practical experience to be eligible for a FA in HSWR 118 within the last five years in one or more settings related to their specialty. Evidence could be a record of employment or a written letter from employers with the employers' current contact information.

*The last practicum in each specialty is not available for flexible assessment.*

#### **Education Assistant specialty**

Neither practicum is available for Flexible Assessment

### DIPLOMAS

#### **Early Childhood Education *INFANT TODDLER specialty***

students must complete at least 400 hours of practical experiences to be eligible for a FA in ECED 229 within the last five years in one or more infant and toddler licensed early childhood settings and under a certified infant toddler educator. Evidence could be a record of employment or a written letter from employers with the employers' current contact information.

#### **Early Childhood Education *SPECIAL NEEDS specialty***

students must complete at least 400 hours of practical experiences to be eligible for a FA in ECED 253 within the last five years in one or more settings that are inclusive and support children requiring extra support and under a certified special needs educator. Evidence could be a record of employment or a written letter from employers with the employers' current contact information.

#### **Please Note:**

Practical experience hours used for Flexible Assessment can only be used for one practicum in the ECE certificate/diploma program. Duplicate hours WILL NOT be recognized.

## CYFS CORE VALUES

---

- Respect the intrinsic worth of all individuals and a belief in the dignity, individuality and rights of persons
- Value diversity in all its manifestations
- Value learning and diverse learning styles and approaches
- Respect confidentiality
- Demonstrate empathy, respect, genuineness, and warmth
- Maintain awareness of self and one's impact on others
- Respect people's motivation and capacity for change
- Value the mutuality of the helping relationship
- Protect individuals from the undue influence and abusive use of power
- Respect the boundaries between professional and personal relationships
- Commit to enhancing the self-determination of individuals, social units, communities and cultures without harm to others
- Commit to life-long learning, self-reflective practice and continuing professional development
- Be aware that all knowledge is tentative and evolving
- Value the benefits of collaboration and teamwork
