CONSENT FOR INFORMATION DISCLOSURE AND DECLARATION OF APPLICANT

I hereby declare that the information I have submitted in this application for admission is true and correct to the best of my knowledge. Completion and submission of this application permits College of the Rockies to request and/or confirm any information necessary to support my application for admission. The submission of any false statements or documents can result in the cancellation of my admission or registration status. I understand that submission of this application in no way guarantees admission to a program or course, and that admission is subject to meeting program or course prerequisites and space availability. No decision on my eligibility for admission will be made until the application fee and all the required documents have been submitted. I agree to abide by the established rules and regulations of the College including those of the department and program in which I shall be registered, and any changes which may be made while I am a student at College of the Rockies.

FREEDOM OF INFORMATION AND PROTECTION OF PRIVACY

In submitting this application, I understand that the personal information on this form is collected under the authority of the College and Institute Act. I understand the information collected on this application is consistent to the Freedom of Information and Protection of Privacy Act and will be used confidentially for purposes of admission, registration, student support services, research, alumni relations, administration of the Student Association fees and other purposes consistent with the mandate of the College. In providing the College with an email address, I acknowledge that the College may send confidential information about me to this address. Any questions I have concerning the collection and use of this information should be directed to the Office of the Registrar.

- ☐ I give my consent to disclose my information per the above declaration.
- ☐ I hereby certify that the information provided in this application is true, accurate and complete.
