How many people from our business can attend?

Tables are set up to accommodate two people from your organization/business. If you require more chairs, please let us know in advance.

Who usually attends the event and how many?

This event attracts a diverse audience of up to 800 attendees each year, including College of the Rockies students, local high school students, and community members. Many are exploring new career paths, seeking their first professional opportunity or looking for summer employment.

What type of exhibitors attend this event?

This event attracts a dynamic mix of employers and non-profit organizations from the local community, across the region, and nationwide. Our 2025 in person Career Fair and Job Fair saw a 5% increase in exhibitors, making this the Career and Job Fair to attend when looking to promote your industry or attract new employees for long term careers or for the summer season.

Is there an opportunity to speak directly to a specific class about career opportunities while at the College?

If this is something that you are interested in, please email your request to careerfair@cotr.bc.ca. We can connect you with instructors to see if this is possible.
